BRIEF ABSTRACT OF LETTER.

States that the construction of the building ~~above~~ in question is very necessary and that a sum of Rs. 1349-8-11 is available at the credit of the institution

NOTES AND ORDERS.

The late Muzrai Secretary's notes dated 27th Feby 1905 and 2nd Nov. 1905 in the file below explain the various works which were then proposed to be executed to the Darga in question.

As for regards the construction of the Devankhana

at an estimated cost of about Rs. 2710
the petitioners, Mahommed Hussain Pacha Khadri and Syed Masthan Pachakhadri were informed in this office endorsement No. 107 dated the 9th July 1908 that the work could not be undertaken as sufficient money was not available at the credit of the institution.

2 The petitioners having urged the matter again on 22nd July 1908 and represented that a sum of Rs. 1374-8-1 is available, the petn was forwarded to the Dy. Commr. for report.

3 From the vernacular record recd. with D.C.'s report it will be observed that a sum of Rs. 1369-8-11 will be available after defraying the expenditure on account of unliquidated allowances to servants &c., and that the Dewankhana proposed to be constructed is very badly required for musafirs, for conducting Ulus, marriages &c. The Dy. Commr. is of opinion that the building is very necessary. May he be asked to submit a modest estimate, or, may the Petrs be informed that the question will have to lie over for some time more?

16 I have seen the different sites alluded to in these notes. There is no doubt that the site marked D, (fairly selected), is the most eligible, and the construction of the Dewankhana on it is agreed to by all the parties. (Vide Statements recorded by the Amildar on 26.7.10). During my inspection, only the Muktesdar raised a feeble objection, purely sentimental, that the old site should not be changed. Respected Sir,

In Endorsement No. 137 dated 9th July
last. You say that we are ... sufficient
of money to meet with the ... for the
erection of Devankhana mentioned in our
petition. We are glad to inform you that we
have Savings of Rs. 1374-8-1 in the Durga
fund and also some materials such as
Beams & Tomadam Stones worth about
Rs. 400 which amount we fully trust
will be quite enough to build one Devan-
khana, without which we are put to
much inconvenience to perform our
Durga ceremonies. If you can not
meet with the expenses and if you can
not have the construction through the
Engineering Department, we beg you
kindly permit us to have the Buil-
ding with our own expenses. We will
send you the plans of the building
if you wish for. When I was in the
court humanely on the 11th July

your honor promised to send an order concerning the building, but as there was no order upto date I am bound to disturb your honor again for which I beg your honor to pardon me. Waiting for an early and favorable reply!

Sir,

With reference to his letter No.2716 dated the 18th May 1910, regarding the selection of a site for the construction of the Dewankhana to the Akkalesha Khadri Darga at Chennapatna, I have the honor to state, that it was reported that there were two factions among the members of the Makkan, that one party -- wanted the Dewankhana to be constructed in the place where it originally stood, (marked A in the plan) while the other party desired it to be built in a different place(marked B in the plan). The Amildar who personally inspected the place finding both the places unsuitable for the purpose, has selected a third site (marked D in the plan) which is approved of by both the parties.

2. The Makandar Syed Mahomed Sulten Mohideen Sha Khadri, the owner of the site(marked D in the plan) selected by the -- Amildar, is willing to give it up, gratis, for the benefit of the Darga. It is reported that the site now selected is situated on the side of the high road leading from Bangalore to Mysore, that in front of the site there is a pit (marked in the plan) measuring 45 x 40 with an average depth of 2 feet, and that it costs Rs.17/- to fill it up, as per estimate enclosed. The Amildar.however considers that no extra expenditure is necessary on this account, as it can be conveniently filled up in the course of the construction of the building.

3. I beg to state that the site selected by the Amildar may

12

May be approved and the Dewankhana constructed on it, as it is well situated and sufficiently spacious, provided the D.P.W. authorities have no objection to raise a building near a pit.

4. The enclosures received with your letter under reference, together with the file of vernacular correspondence ending with Closepet Sub-Division Officer's Yadi No.1253 dated the 7th March 1911, are herewith submitted.
